## CORRECTION Open Access

## Correction: Psychometric evaluation of the Decision Support System (DSS) for municipal nurses encountering health deterioration among older adults

Annica Kihlgren<sup>1,2</sup>, Tomas Lammgård<sup>1</sup>, Margaretha Norell Pejner<sup>1,2,3</sup>, Fredrik Svensson<sup>1</sup>, Ann-Sofie Adolfsson<sup>1</sup> and Helen Lindner<sup>1\*</sup>

Correction: BMC Geriatrics (2024) 24:283 https://doi.org/10.1186/s12877-024-04903-8

After publication of this article, the authors reported that the last part of the last sentence in the abstract, section 'Conclusions' 'thereby avoiding unnecessary emergency admistion and helping.' should have read 'thereby avoiding unnecessary emergency admission and helping to alleviate emergency department overcrowding.'

The original article has been updated by the authors. Published online: 13 May 2024
